GENEVA SEXYNESS @ MIMESIS Contemporary Art

Le 8 juillet 2010, la galerie MIMESIS Contemporary Art monte une exposition éphémère de vingt-quatre heures pour le temps d'un défilé de prêt-à-porter masculin. Les deux jeunes stylistes zurichoises, dépositaires de la marque Nargeni, et l'artiste britannique Taylor, griment l'espace théâtral de la galerie, en podium de mode laissant échapper l'effervescence des mannequins étoiles d'une soirée, recrutés au cours d'un casting de rue. Review en images. COK
